Memory from Cats

C **Am**
Midnight, not a sound from the pavement
F **Em**
Has the moon lost her memory? She is smiling alone
Dm **Am**
In the lamplight, the withered leaves collect at my feet
G **C**
And the wind begins to moan

C **Am**
Memory, all alone in the moonlight
F **Em**
I can smile at the old days, I was beautiful then
Dm **Am**
I remember the time I knew what happiness was
G **C**
Let the memory live again

Em **F** **Em** **F**
Every street lamp seems to beat
Em **C** **G**
A fatalistic warning
Em **Am** **D** **G**
Someone mutters, and the streetlamp gutters
Em **A** **D**
And soon it will be morning

C **Am**
Daylight, I must wait for the sunrise
F **Em**
I must think of a new life, and I mustn't give in
Dm **Am**
When the dawn comes, tonight will be a memory too
G **C**
And a new day will begin

C Am F Em Dm G C

Em F Em F
Burnt out ends of smokey days
Em C G
The stale cold smell of morning
Em D
A streetlamp dies, another night is over
Em A D
Another day is dawning

C Am
Touch me, it's so easy to leave me
F Em
All alone with the memory of my days in the sun
Dm Am
If you touch me, you'll understand what happiness is
G C
Look, a new day has begun
